**Silvers HR Named One of Sacramento's Fastest Growing Companies**

Granite Bay, CA - September 24, 2010 -- The Sacramento Business Journal announced its Fastest Growing Companies List this week. Silvers HR, LLC, a locally owned human resources consulting firm, was listed in the top 35 firms. "We're delighted to be recognized in the business community. Our goal is to make the human resources function a credible and viable part of every small business' strategy team. Regardless of the firm's size, we believe HR management is an essential part of the business plan for California employers."

Silvers HR was founded in 2001 and has grown recently due to acquisition. The firm's revenue increased 35 percent from 2007 to 2009. The firm acts as outsourced HR experts for over 100 employers throughout California. Their team of HR specialists offers hands-on, confidential and practical employment expertise.
