

# FINDING THE KEEPERS AND KEEPING THEM, TOO!

**How to source and onboard the best candidates for your organization**

**Tuesday, February 27, 2024  
9:00 a.m. -11:30 a.m.**

Are you responsible for recruiting or onboarding employees? Join our informative webinar that combines two of our most popular topics. Through case studies and interactive discussions, this webinar will guide you through the entire process of sourcing, screening, selecting and onboarding employees who will make a positive impact on your business. During this hour and a half webinar, we will create interview questions, conduct a mock interview and more. During the webinar we will:

- Evaluate surprising sources for candidates
- Analyze employment application “red flags”
- Create effective interview questions
- Review legal issues around interviewing- what can you ask?
- Examine best practices for onboarding that set an employee up for success
- Review legally required new hire documents
- Explore unique issues surrounding remote onboarding
